# Manifest Destiny

## Across

3. What did the United States believe was their natural right to expand westward
4. The large river that serves as a boundary between Texas and Mexico
7. In 1803, the United States paid France 12 million dollars in this purchase of land
9. The act of giving up or "ceding" a territory, usually as a result of a treaty
10. A trip by a group of people to explore unknown places

## Down

1. People who protect or defend against outside attack

2. An area of land set aside by the United States government for Native Americans to live on

5. This abandoned mission was the site of a battle against Santa Anna's army. Soldiers refused to surrender and courageously stated "Give me victory or give me death"

6. The Native American tribe that would raid Georgian settlers land

8. This Native American assisted with Lewis and Clark's expedition from the Missouri River to the Pacific Ocean. She served as a guide, translator and assisted in identifying new plants.
