

Name: \_\_\_\_\_

Date: \_\_\_\_\_

# Manual J

## Across

- 2. electromechanical switching device
- 8. Heat exchanger where heat is rejected
- 9. changing from liquid to vapor
- 10. Air conditioning and refrigeration institute
- 11. psig plus 15

## Down

- 1. changing from vapor to liquid
- 3. design capacity of a pump to circulate fluid
- 4. exchanger where heat is absorbed
- 5. Measures and evaluates temperature
- 6. electrical charge holder
- 7. psia minus 15
