# Medical Office Vocabulary

## Across

3. a formal request to an insurance company asking for a payment based on the terms of the insurance policy
4. clinical measurements, specifically pulse rate, temperature, respiration rate, and blood pressure, that indicate the state of a patient's essential body functions
6. an instrument for measuring blood pressure
8. to place for safekeeping or in trust, especially in a bank account
9. the process of determining by examination the nature and circumstances of a diseased condition

10. A sum of money set aside or needed for a purpose

## Down

1. a collection of papers, records, etc., arranged in convenient order
2. record of past events and circumstances that are or may be relevant to a patient's current state of health. Informally, an account of past diseases, injuries, treatments, and other strictly medical facts.
5. an account book of final entry, in which business transactions are recorded.
7. A record of payments for service or goods
