# Musical Instruments

## Across

- 2. I am a wooden string instrument. You can't really play me without an extra tool.
- 7. I usually have six strings. You really do not need an extra tool to play me.
- 8. I have many different parts and types. I am a membranophone.
- 10. I have three valves and you probably use me in marching season, but a different instrument for concert season.

## Down

- 1. I am part of the woodwind family. I was invented in Germany. I often play trumpet music!
- 3. I am large and heavy. I have the lowest pitch in the brass family.
- 4. I am a brass instrument and you use a slide to change notes.
- 5. I am a woodwind instrument with many different keys and types.
- 6. I have the highest register in the brass family. BG plays me.
- 9. I am a reedless woodwind instrument.
