

# New Ideas for a Changing Nation

**Across**

- 7. Poor/socially unacceptable working conditions
- 8. Use of an arbitrator to settle an argument
- 9. Negotiation of wages and other working conditions
- 10. A fire in Manhattan; the deadliest industrial disaster in US history

**Down**

- 1. Laws passed to regulate rising fare prices of railroads and grain elevator companies

- 2. Groups of individuals that acts the same as the law of natural selection
- 3. Someone that works in place of someone on strike
- 4. A contract between a worker and employer where the worker promises not to join a union
- 5. Workers that were in the same industry that were organized into the same Union together
- 6. Labor union of people with the same skills
