Nocturnal Animals

Across

3. I have a snuffling nose and a prickly back. I eat slugs and worms...

5. with my little legs and long tail, I scurry in the grass looking for seeds and insects to eat...

7. I am a very secretive creature, but my black and white stripes will give me away...

10. I fly through the air and find my food with sonar...

Down

1. My skin is cold and slimy, but my croak is more burp than ribbit...

2. I am a crafty creature with red fur and a bushy tail...

4. I fly almost silent and have excellent eyesight. I talk with a screech and a twit twoo...

6. I am slippery and I am slimy, but have no hard shell to protect me...

8. My long ears alert me to noises from above, my strong legs help me hop away quick...

9. My day flying cousins flutter bright in the sun, but you will need a torch to find me...
