

Occupations that Help Others

Across

3. I work at many different stores. I take your money and sometimes bag your items or groceries to help get you on your way!

5. I cut your hair and keep you looking snazzy!

6. I can fix your car if it breaks down or needs some different parts.

8. I am in a classroom all day and help by teaching kids. I love to help others learn and grow.

11. I take care of my city and help to make decisions. I have to run for my job and others elect me.

13. I watch out for you and can save your life if you are in water and can't swim very well.

14. I have my own land and grow food for other people. I harvest it and work really hard all year long.

15. I help others by delivering letters or packages. I go around every day to many different neighborhoods and businesses to deliver goods to people.

16. I help others by coming and getting your trash every week so that we can keep our communities clean and everybody healthy.

17. I help by taking care of your pets. They can come see me when they need help or medical attention and I will help them to feel better.

18. I help the community by keeping everyone safe. We are always there if you need us. We keep people from doing bad things and protect everywhere we can.

Down

1. I help kids to safely cross the street. I usually am helping on their way to or from school.

2. You come to see me if you are having problems with your teeth. I can take X-rays and do work to fix them all up and help you to feel better.

4. I help by serving you food when you go to a restaurant. I take your orders and bring you your food and drinks.

7. I help others by preparing delicious food. Usually I am in the back in the kitchen cooking away for you.

9. You come and see me when you are sick or need some sort of medical help. I can fix your problems and help you to feel better.

10. I help the community by taking care of people or putting out something burning. We ride around in really big trucks that have lights.

12. I usually help by assisting the doctor. I take care of you when you are sick if you need to come to the hospital or the doctor's office. I can give you medicine and help you to feel better.
