

Online Identity & Creator's Rights

Across

1. a form of copyright that makes it easier for others to use your work, with permission

7. Stealing copyrighted work with the intent to sell or keep, without purchasing it

8. to have a reason or purpose to do something

10. Essays, paintings, and music lyrics are all examples of this

11. A law that protects how you control your creative work for others to use

12. Creative work that is not copyright protected, and free to reuse

13. The result of a choice a person made, whether it is good or bad.

Down

2. Small pieces of copyrighted work can be used without permission, under this policy

3. Stealing another's work, and calling it your own

4. to mislead or falsely persuade others

5. To go overboard on a statement or comment

6. All of the factors that make up who you are

9. Having an unknown identity
