

Oregon Trail

Across

4. What disease gave you tiredness, sickness, dehydration or death?
7. What did the traveler use to burn fires when wood was scarce?
8. How many people traveled the Oregon trail?
9. What was the name of one of the wagon?
10. What did the wagons use to cross the rivers?

Down

1. Who were the first travelers?
2. What time did you wake up in the morning?
3. What is the imaginary line that marks where water on one side flows west and water on the other side flows east?
5. How many oxen did it take to pull a wagon?
6. Who ate their friends?
