

PPF and Inflation

Across

2. the most comprehensive measure of inflation
 7. employees use it as a starting point in wage negotiation
 9. a decline in the general price level of an economy
 10. the annual rate of changes of the average price of goods and services

Down

1. a PPF diagram shows what?
 3. a period of very high rates of inflation
 4. if a combination output lies beyond the PPF then it is not yet...
 5. a rise in a country's productivity causes the PPF to shift....
 6. Illustrates the possible combinations of goods and services that can be produced by a single nation, firms, etc.
 8. if a point on a PPF diagram is inefficient then not all are fully utilised
