# Parts of the Horse

## Across

2. Found on each rear leg and when seen they look to jut towards the back of the horse.
3. The highest part of the rump or buttocks of the horse.
7. The area on the front legs of a horse between the knee and the elbow.
9. The area on the hind leg of a horse between the stifle and hock.
10. The highest part of a back of a horse, behind the neck and between the shoulders.

11. Found on both sides of the body where the hind legs join into the body.

## Down

1. The area on a horse that is close to where the human shoulder would be.
4. The foot of the horse or the part of the foot that touches the ground.
5. The upper part of the neck on a horse where the mane grows.
6. The area right between and behind the ears
8. The big round area of the horse's body below the back where the ribs are located.
