

# Peer Helper Training Review

**Across**

- 2. to understand the feelings of another person
- 5. a variety of support services initiated by trained peers who empower & support each other
- 7. to keep something private, not repeat what you have heard
- 8. the most important skill for Peer Helpers to show support
- 9. When you sum up what you have heard a person say it's called

- 10. what type of question do Peer Helpers ask to get to know someone

**Down**

- 1. When someone is actively listening, they use their
- 3. What type of communication is characterized by showing respect & fairness
- 4. Who do students usually talk to first when they have a problem
- 6. As much as 70% of what we communicate can be understood from what we gather from our
