

Name: _____

Periodic Table of Elements By: Kate Woods

Across

- 3. what does O stand for?
- 4. what does CM stand for?
- 5. what does H stand for?
- 11. what does Ca stand for?
- 13. what does TI stand for?
- 14. what does AU stand for?

- 15. what does SN stand for?
- 18. what does PA stand for?
- 19. what does HG stand for?
- 20. what does PB stand for?

Down

- 1. what does V stand for?
- 2. what does FE stand for?
- 6. what does Co stand for?

- 7. what does S stand for?
- 8. what does AG stand for?
- 9. what does Mg stand for?
- 10. what does W stand for?
- 12. what does Li stand for?
- 16. what does Na stand for?
- 17. what does ZN stand for?

Word Bank

Sulfur	Lithium	Mercury	tin	titanium	Magnesium	Iron
Tungsten	protactinium	Vanadium	Sodium	cobalt	Hydrogen	cerium
Oxygen	Silver	Calcium	lead	gold	zinc
