Perspective Taking

Across

3. The boy came in from recess on a hot day only to find a very long line for the water fountain.
6. The boy's younger sibling is eating a cupcake. He asks your mom if he can have one too, but she says no.
7. The boy never got his favorite toy back after borrowing it to his sibling.
8. The girl is the only one in the class still working on an assignment and everyone else already finished.
9. A girl overhears a classmate making fun of her.

10. A classmate gives the boy a compliment on a new outfit he is wearing.

Down

1. A classmate trips while walking in the hallway, and everybody begins laughing and pointing.
2. The person sitting behind the student keeps tapping his chair with his foot.
4. The student earned an A+ on his math test.
5. The girl opens a gift that she thought was the toy set she always wanted, but instead it is a sweater.
