

# Pierce The Veil

## Across

3. Can you come over to my LA place?

6. 1-2-3 where did it go?

10. Oh my god, what have I become?

12. Can we create something beautiful and destroy it?

13. We gotta kill everything before the night gets wasted.

15. Can the cold carry on?

17. Don't you try to blame this on me.

18. This will be a night we won't forget.

19. I hope you like the stars I stole for you...

20. I've been having this dream that we can fly...

## Down

1. Dare me to jump off of this Jersey bridge?

2. Can I even complicate your breathing?

4. What if I can't forget you?

5. Send me off into space on this rocket invention.

7. I kissed the scars on her skin...

8. Maybe I could swim into your head like your drugs do.

9. There's no such thing as too young.

11. Do you hear my heart beat thump over the monitors?

14. You said 'what about us?' Well, what about me?

16. You're my favorite explosion.
