

# Plate tectonics

## Across

4. Main type of rock in continental crust.  
 7. Which type of crust is the densest  
 9. Is the outer core solid or liquid  
 10. Biggest layer of the Earth

## Down

1. Main type of rock in oceanic crust.  
 2. Responsible for earth's magnetic field  
 3. Innermost layer of the Earth  
 5. What causes seismic waves?  
 6. Uppermost layer of the Earth  
 8. Is the inner core solid or liquid
