

Plate tectonics Volcanoes and Earthquakes

Across

- 7. Force of tension causes
- 8. Oceanic Crust is...
- 9. All continents together is the what theory
- 11. Continental Crust is more...
- 12. The crust moves but the doesn't

13. Force of shearing

Down

- 1. What are the two types of crust
- 2. How are the himilayan mountains form
- 3. Which layer is Soild
- 4. Used to record earthquake waves

- 5. The theory that states "pieces of Earth's crust are in constant, slow motion driven by movement in the mantle"
- 6. Point on the surface directly above the focus
- 10. What type od boundary is San Andreas Fault on
