

# Poetic Techniques & Forms

**Across**

- 2. a word that imitates a real sound
- 3. using a word to soften the meaning such as "he passed away" instead of "died"
- 4. consecutive words which begin with the same letter
- 11. a poem that tells a story with an emphasis on action and the retelling of events
- 12. when a sentence runs over multiple lines
- 13. a published collection of poems
- 15. a comparison using "like" or "as" to create a particular image

- 19. using two terms together which contradict each other
- 20. when two or more words sound alike
- 21. the speaker in the poem
- 23. the atmosphere of the poem
- 24. when the vowel sound is repeated in successive words

**Down**

- 1. giving an inanimate object human qualities
- 5. a contrast of ideas, tone, or images
- 6. when words or phrases create a sensory experience for the reader - often a visual one.

- 7. a direct comparison using "is" to create a particular image
- 8. this poem has 14 lines, regular rhythm and rhyme
- 9. a type of alliteration where the "s" sound is repeated
- 10. when a statement appears contradictory but is in fact true
- 14. a poem that is written to honour a person, place, or object
- 16. an exaggerated statement
- 17. the attitude of the speaker
- 18. a verse or paragraph in a poem
- 22. an object or image that represents an idea
