

Politics in the U.S. - Unit 2 (Parties and Presidents)

Across

- 2. died of pneumonia soon after becoming president; war hero from the Battle of Tippecanoe
- 7. democrat but found Jackson too oppressive; vetoed national bank twice; created Tariff of 1842
- 9. party made of upper class, wanted more federal government power, died during War of 1812
- 10. party created in support of Jackson, his beliefs, and policies; support states rights and focused on the liberty of the individual

- 11. Era of Good Feelings occurred under him as president; doctrine under his name that was an agreement between Europe and the U.S.
- 12. won the 1828 election; used the spoils system; killed the 2nd bank of the U.S.; involved in duels, stabbings, and frays

Down

- 1. minority president and "cold fish"; presidency surrounded with corruption accusations; won because of the corrupt bargain of 1824
- 3. party that followed Henry Clay and John Quincy Adams, dissolved after Clay's loss

- 4. _____ democratic republicans, party that split because of the corrupt bargain
- 5. president after Jackson, was Jackson's puppet; first American born president
- 6. party with the slogan "free soil, free speech, free labor, free-men"
- 8. had 4 objectives: walk tariff, restore U.S. treasury, acquire California, settle Oregon dispute; provoked war against Mexico
- 13. party that started as a commiseration against Jackson; wanted more federal government involvement
