

Population Dynamics

Across

- 2. What goes on the y axis of an exponential growth graph?
- 4. What is the second type of limiting factors?
- 8. What is one reason a populations decreases?
- 9. What is one reason a population grows?
- 10. What goes on the x axis of an exponential growth graph?

- 11. Resources that limit the growth of a population are called?
- 12. What is an example of density dependent?
- 13. A group of individuals of the same species living in a particular place is called a
- 14. Exponential growth is when the number is constantly...
