# Pregnancy Effects on a Teenager's Life

## Across

- Often, when you say no to your child they will throw a \_\_\_\_\_.
- Since you'll spend so much time working, you might have to become a highschool \_\_\_\_\_.
- When you get home from work or school, you won't have time to relax you'll be very \_\_\_\_ taking care of your child.
- When you go shopping, instead of buying stuff for yourself you'll have to buy things for your \_\_\_\_.
- You might spend all day wondering about what you will be able to \_\_\_\_ yourself and your child.
- Instead of spending time with your friends you'll have to take care of your child which can make you feel very \_\_\_\_\_.

## Down

- You might think that being a parent is easy, but especially when you're young it's very \_\_\_\_.
- It will be hard to take care of your child and get them everything they want because you'll be on a \_\_\_\_\_.
- Having to tend to all the baby's needs is very \_\_\_\_\_.
- The baby may wake you up during the night and not let you get a lot of sleep, this will make you very \_\_\_\_\_.
- You won't have a lot of free time because you'll have to \_\_\_\_ to support yourself and the baby.
