4. "I can dim the lights and sing you songs full of sad things, we can do the tango just for two. I can serenade and gently play on your heart strings, be your Valentino just for you."
7. "I will destroy any man who dares abuse my trust. I swear that you'll be mine."
10. "How do you think I'm gonna get along without you when you're gone? You took me for everything that I had and kicked me out on my own."
11. "Didn't mean to make you cry. If I'm not back again this time tomorrow, carry on, carry on, as if nothing really matters."

Down

1. "So don't become some background noise. A backdrop for the girls and boys, who just don't know or just don't care. And just complain when you're not there."
3. "I've paid my dues, time after time. I've done my sentence, but committed no crime."
5. "I'm a shooting star, leaping through the sky like a tiger defying the laws of gravity. I'm a racing car, passing by like Lady Godiva."
6. "Take a look in the mirror and cry. Lord, what you're doing to me. I have spent all my years in believing you, but I just can't get no relief, Lord!"
8. "Don't take it away from me, because you don't know what it means to me."
9. "Pleading with your eyes, gonna get you some peace someday. You got mud on your face, big disgrace. Somebody better put you back into your place, do it!"
