

# Rooms in a house

## Across

2. The entrance passage to a house.

3. Here people park their cars and motorbikes.

7. This is not a room. This is where people have plants and flowers.

8. People go to the toilet here.

10. A room where books are kept.

11. This room is at the top of the house.

13. In this room people eat their meals.

14. In this room you can watch TV and relax on the sofa.

## Down

1. Underneath the house.

4. A room where guests sleep and clutter is stored.

5. A small room used to store kitchen and dining items.

6. A room where people go to have a shower.

9. Here people cook.

12. A room where people go to sleep.
