

Situation Ethics

Across

2. What decade was it founded in?
6. An ethical system that follows rules?
7. Any theory of ethics must be practical and work towards the end that is love
9. Fletcher rejects the idea of this- he believes this is a verb
10. The view that there are no moral principles or rules?
11. Not principles underpinning law and their relationships to those laws.

Down

1. The situational principle that Christians freely choose to believe that God is love and then act in a reasonable way with this faith statement.
3. Love thy neighbour
4. Not part of the essential nature of someone or something: coming or operating from the outside
5. Who founded Situational Ethics?
8. What is the christian word for Love?
