

# Statistics

## Across

3. Short for the Statistical Enquiry Cycle  
 4. It is good to write about these at the end  
 5. To the left, to the right  
 9. I wrap things up  
 12. Oh so small  
 15. No real pattern

16. I may need a clean  
 17. I kick things off

## Down

1. The analysis section involving range  
 2. You so big  
 6. We try to make one of these for the whole population  
 7. Overall ... Spread

8. The middle of the data

10. A bell-shaped distribution of dots  
 11. The dots look like a rectangle  
 13. This occurs between repeated samples  
 14. Lower and Upper
