

Tactical Tourism

Across

4. The chart/graph that a company would use to decide where their tourist attraction is at.
 5. The Lake District National Park is found here.
 9. A holiday organized by a travel agent, with arrangements for transport, accommodation, etc. (e.g. FirstChoice).
 10. The action of conserving something, e.g "nature conservation".

11. Business or Industry that provides information, accommodation, transportation and other services for tourists.
 12. A room, group of rooms, or building in which someone may live or stay.

Down

1. The bad thing that could happen out of the two endings on the Butler's Model.
 2. You would see a lot of sport tourism in this area this year.

3. The theme park that is just by the pier.
 6. The most popular time of the year for vacations, when resorts are at their busiest.
 7. The thing that can destroy a nature tourist attraction.
 8. Where lots of tourists end up at the same resort very often
