

Techno-Hunt Round 1

Across

2. Electric component that transmits current
 5. symbol 'V'
 6. passage of current through body
 8. a law
 9. To turn ON and OFF current

10. Generates ac continuous output waveform
 12. Electromagnetic waves
 14. Reference point in an electrical current
 15. measures electric power

Down

1. Enclosed path of current
 3. A type of ground
 4. measures electrical resistance
 7. protects against excessive current
 11. symbol 'T'
 13. wiring size
