

# Texas And Texans Unit 30 Project

## **Across**

- 3.** A document that outlines fundamental laws and principles of law; it describes the nature, functions, and limits of government  
**5.** An addition to a formal document such as a constitution  
**11.** A financial plan based on expected earning and proposal for spending the money  
**12.** A group of citizens who determines whether there is enough evidence to charge someone with a crime  
**13.** An unexpected or sudden gift, gain, or advantage  
**14.** A system whereby each branch of government has the ability to limit the actions of the other branches

**16.** An offense of lesser gravity than a felony

- 17.** A type of government in which powers and duties between the states and the national government are shared  
**18.** To determine the value  
**19.** Property in buildings and land  
**20.** A note or guarantee issued by the government, promising to repay money it borrows, with interest

## **Down**

- 1.** Composed of two legislative chambers of branches  
**2.** A formal statement charging a party with the commission of a crime  
**4.** Having to do with the chief officer of a government

- 6.** A tax based on the value of machinery and equipment that businesses use to produce income  
**7.** The power of the legislature to review the activities of the executive branch  
**8.** A series of laws in a constitution that protect specific rights of citizens  
**9.** A local law  
**10.** A set of laws pertaining to disputes between private citizens, businesses, and governments  
**15.** The power of the governor to veto individual items in a spending bill
