

Texture

Across

3. Musical copying
 8. The time in music from 1600 to 1750
 9. Vocal music in which there is complicated copying
 10. It is like a round but nothing to do with a big gun.
 11. A long fixed note but sometimes rhythmic

12. A word which can describe texture although it does not tell us much.
 13. An instrumental type of polyphonic music

Down

1. Some instruments need only one, the piano needs two.
 2. The difficult word for block chords when everyone has the same rhythm.

4. Songs like "London's Burning"
 5. This means one
 6. A kind of piano accompaniment in the bass
 7. Another word which can describe texture although it does not tell us much.
