

# The Market Revolution

**Across**

- 1. NYC had the best \_\_\_\_ in the country due to the Erie Canal
- 8. The black ball line was the first \_\_\_\_ shipping service
- 10. German and \_\_\_\_ immigrants settled in New York City, making it one of the largest cities in the country
- 11. The \_\_\_\_ Ball Line carried cargo, people, and mail between Liverpool, London, Le Havre, and New York
- 13. The Erie Canal inspired the construction of the Pennsylvania canal as well as the Chesapeake and \_\_\_\_ canal

- 14. Success in trade and industry were the 2 main causes of the increase in America's \_\_\_\_ population

**Down**

- 2. The Erie Canal had the support of Governor \_\_\_\_ Clinton of New York
- 3. The Erie Canal was developed to carry people and goods to and from the great \_\_\_\_ basin
- 4. The most growth occurred in the \_\_\_\_ cities along the fall line of the east coast
- 5. People migrated west of the \_\_\_\_ for the cheaper land

- 6. The Erie Canal stretched from Albany to \_\_\_\_
- 7. Many settlers migrated to the great lakes region for the \_\_\_\_ land
- 9. The Michigan and Illinois canal completed a(n) \_\_\_\_ all-water route from NYC to New Orleans
- 12. In New York, immigrants were paid lower wages in order for NY to become a center for the booming \_\_\_\_ industry
