

# The Odyssey: Book 10

**Across**

- 2. The island that Odysseus and his men landed on after experiencing the badwinds
- 3. What Aiolos is god of that he gives Odysseus a bag full of the bad ones, so that he can arrive to Ithaca without any problems.
- 7. How many years Odysseus' men stayed on the island
- 8. The person that led men to explore the island
- 9. What Kirke turned the men into when entering the house

- 10. The god that gave Odysseus the magical plant. He is also referred to as the Wayfinder, which fits here because he helped Odysseus find a way out of the trouble with Kirke

**Down**

- 1. The force that pushed Odysseus' ships to Aiaia
- 4. The fabric that Kirke was weaving when Eurylochus' men appeared in her entryway, which was fit for the gods (line 245)
- 5. The "witch" that inhabited the island
- 6. The magical plant that protected Odysseus from Kirke's power (line 343)
