

The Watsons Go to Birmingham (no spaces)

Across

3. A city in Alabama that the Watson family travels to so they can visit Grandma and teach Byron a lesson. The city's name is featured in the title.
5. The older brother of the two boys that constantly gets in trouble.
6. A sometimes violent intolerance of another race/races.
7. A financial support system that helps citizens purchase basic life necessities. For some people this can be disappointing and/or embarrassing.
8. The name of Kenny's newfound friend from the country. Both of them have much in common and help each other against bullies.

10. A journey via automobile to a usually far destination; may take hours or weeks.

Down

1. A musical device that played music by spinning a large, circular disc. These became less popular with the inventions of downloadable music and CD players.
2. The name for the Watson family's car in which they drove from Flint to Birmingham.
4. A reckless attack using explosives to destroy buildings/machines or to harm others.
9. A city in Michigan where the majority of the beginning of the story takes place.
