

# The components of the Labour Market

## Across

- 3. A geographical place
- 4. What you get when you pass examinations or officially complete courses
- 8. People or organisations that employ people
- 9. When someone is able to start work
- 10. Things that you can do well
- 11. Paid positions of regular employment

## Down

- 1. Roles that have been advertised but not yet filled
- 2. The period of time when someone would need to work
- 5. Money that is paid or received in exchange for work
- 6. People who are paid to work for businesses
- 7. Businesses or firms
