

# Theories, boundaries,

**Across**

- 2. Who proposed the theory of sea floor spreading?
- 3. A layer of hot, solid rock
- 6. Where does pillow lava come out of
- 8. The layer of rock that forms Earth's outer skin
- 10. When did Wegener propose continental drift?

- 12. Who proposed the theory of plate tectonics
- 14. Molten material, magnetic strips, and drilling samples are evidence for for what theory?

- 15. Which boundary moves apart

**Down**

- 1. Who proposed the theory of continental drift?

- 4. All lands
- 5. What does a transform boundary create?
- 7. Which boundary comes together
- 9. When did Henry Hess propose the sea floor spreading theory?
- 11. What state of matter is the outer core
- 13. What state of matter is the inner core
