

There Will Come Soft Rains

Across

- 2. What was scratching and whining at the front door of the house.**
- 9. What told the time and what it was time for in the story, "There Will Be Soft Rains"**
- 10. Why weren't there any people in the house or city.**

Down

- 1. What was the last thing that the voice in the house said?**

- 3. What did the alarm say was at 7:09?**
- 4. Who made the poem that was read at 9:05?**
- 5. What cleaned the kitchen floor in the story.**
- 6. What was left by the people in the city because of the, supposed, nuclear blast?**
- 7. What was did the voice in the house ask at 9:05?**
- 8. What disaster happened in the house resulting in the tech to stop working.**
