Thesis Statement Criteria Review

Across

2. A thesis statement should not be too narrow or too...
4. In what part of an essay do we usually find the thesis statement?
7. A synonym for "specific" or "restricted" N...
8. In general, how many sentences should your thesis statement consist of?
10. Generally, what the essay will be about (Hint: 2 words)
11. Something that you need to support, explain and defend in your essay. A...

Down

1. The writers opinion that people can agree and disagree with (Hint: 3 words)
3. A word used to describe the instructions for a particular writing assignment (what your thesis statement should respond directly to)
5. A true statement that is difficult to disagree with (your thesis statement should NOT include this).
6. The word used to describe the agreement the writer makes to the reader (Hint: another way of understanding a thesis statement)
9. Without it, the reader of your essay would be "lost"
