Date: _____

Toy Breed Dogs

Across

5. They were developed to hunt small vermin.

6. Many work as therapy dogs, visiting nursing homes and hospitals.

8. They don't produce much dander and don't shed often.

9. Bred by Germans, they were called "dwarf-biters" because of their size and the fact that they chased rats.

10. They were once believed to be spirit-guides, protecting the dead on their journey through the underworld.

12. They share more DNA with wolves than most dog breeds

Down

1. They were originally called the "dwarf spaniel."

2. Aristotle described them as a "cloud floating in the sky."

3. Their unusual gag reflex makes them honk like geese.

4. They sweat to regulate their body temperature and have wool allergies.

7. It is one of only three dogs to have survived the sinking of the Titanic.

11. This ancient breed from China is known for its wrinkled face.
