

Name: _____

Transcendentalism Crossword Puzzle

Across

3. One makes his or her own choice between right, wrong, among other things, instead of counting on others to make the choice for them.
4. Realistic and right; common sense.
7. Though or reflection on one actions or choice from the past, the present, and thinking about their effects in the future.

10. Being nothing; seeing all; being a part of God.

11. To celebrate the individual and their opinion and subjective intuition.

12. A complete trust belief and confidence, the Oversoul and Humanity.

Down

1. God, nature, and humanity are one.

2. Deal with two or three affairs at a time, not thousands or millions. Then, life will be simpler.

5. A return to reason and faith; no disgrace, no calamity.

6. The perfect society, where everyone is one with the Oversoul.

8. Being lifted "into infinite space", where 'all mean egotism' melts away into nothingness.

9. To be mentally and spiritually calm.
