

Trench Warfare

Across

3. It's like baby with an "ry" at the end and also it's a bit more sinister.
 6. Welp, if you pulled it there's no going back.
 8. You may have won the _____ but I'll win the war
 11. It's like onion air
 12. If a rifle and a dagger had a baby

13. You need one if you're digging a trench
 14. It helps prevent concussions but it's intended to protect against a lot more.

Down

1. They're like banana peels but stepping on one might be a bit more dangerous.

2. An antonym would be "icecatcher", a synonym would be "firetossor".
 4. A cannon on wheels
 5. Your physical health may be fine but after living in the trenches your _____ health probably won't be
 7. A rare feeling
 9. "You and what _____"
 10. _____ gas, the condiment kind.
