Implicit demand for proof
 Hole in the ground
 Oh mrs beliver
 Taken by sleep
 Kitchen sink
 Hear me now
 Blasphemy
 Slowtown
 Forest
 Save

A car a torch a death
 Addict with a pen
 I want to know
 Friend please
 Glowing eyes
 Falling too
 Taxi cab
 Whisper
 Clear

Realize that its gone
 March to the sea
 Taco bell saga
 The pantaloons
 Never change
 Johnny boy
 Trapdoor
 Tonight
 Drown

Just like yesterday
 Where did we go
 Prove me wrong
 Be concerned
 Air catcher
 Fall away
 Anathema
 Lovely
 Ruby
