

# Types of Engineers

## Across

2. What type of engineer makes pedal pubs  
 4. What type of engineer makes piers  
 8. What type of engineer is in charge of quality engineers  
 10. What engineer makes drawings  
 11. What type of engineer makes spinning jenny's  
 15. What type of engineer tries to reduce energy consuming and improve energy efficiency  
 18. What type of engineers help make zoo's  
 19. What type of engineer makes packaging  
 21. What type of engineer makes machines  
 22. What engineer group made radars

24. What type of engineer makes soil  
 25. What type of engineer made the internet

26. What type of engineer makes plastic roads

## Down

1. What type of engineer works at a nuclear facility  
 3. What engineer assesses the quality of inventions  
 5. What type of engineer makes X-Rays  
 6. What type of engineer makes planes  
 7. What type of engineer assesses value  
 9. What type of engineer makes concepts

12. What type of engineer makes rolodex's

13. What type of engineer makes missiles

14. What type of engineer imagines solutions to problems

16. What type of engineer makes cables

17. What type of engineer makes acoustics

20. What type of engineer make lawnmowers

23. What type of engineer makes bases
