# Unsatisfying Conversational Partners

## Across

- 3. Seems to "know" what someone is going to say so they say it for them.
- 6. Expresses more than what you wanted to hear.
- 8. Evaluates and judges everyone.
- 10. Gives no reaction towards what a person is saying.

## Down

- 1. Tells stories instead of a two-way conversation.

- 2. Gives speeches rather than engaging in dialogue.
- 4. Consistently gives advice whether it was asked for or not.
- 5. Begins to talk about a topic, then goes off to pursue a different subject
- 7. This person has much complaints and doesn't tire from listing them.
- 9. Only talks about self-related topics.
