

# Value Art II

## Across

5. Lines going in 2 directions to make x's
6. The direction in which the light is hitting the object creating highlights and shadows
8. Lightness or darkness of a color
9. Smooth transition of values
10. Little dots
11. Range of grays or a color in sequence from dark to light

## Down

1. Area blocked from the light source by the object
2. Little lines/hatch marks
3. A value scale with no split sections where the value blend from light to dark seamlessly
4. Circle with value turns to a \_\_\_\_\_
7. Certain number of split sections, that range value from light to dark
