# Vocabulary Unit 5

- |                                                                                                                      |                 |
|----------------------------------------------------------------------------------------------------------------------|-----------------|
| 1. (adj) having or showing pleasant, good-natured personal qualities                                                 | A. FURTIVE      |
| 2. (noun) agreement or consent by silence or without objection                                                       | B. DEMUR        |
| 3. (verb) to do a kindness or a favor to                                                                             | C. ELUDE        |
| 4. (verb) to cooperate secretly                                                                                      | D. TACIT        |
| 5. (verb) to avoid or escape by speed or cleverness                                                                  | E. UNMITIGATED  |
| 6. (noun) a very small quantity                                                                                      | F. ACCOMMODATE  |
| 7. (noun) reckless boldness                                                                                          | G. ARIDITY      |
| 8. (adj) understood without being openly expressed                                                                   | H. FATALISTIC   |
| 9. (adj) extremely dry                                                                                               | I. DISTAFF      |
| 10. (adj) not softened                                                                                               | J. CONNIVE      |
| 11. (noun) a staff with a cleft end for holding wool, flax, etc., from which the thread is drawn in spinning by hand | K. GARISH       |
| 12. (noun) the diameter of something of circular section, especially that of the inside of a tube                    | L. IOTA         |
| 13. (verb) to object                                                                                                 | M. Amiable      |
| 14. (adj) wild                                                                                                       | N. FERAL        |
| 15. (noun) the acceptance of all things and events as inevitable                                                     | O. ACQUIESCENCE |
| 16. (adj) vile                                                                                                       | P. TEMERITY     |
| 17. (adj) secret                                                                                                     | Q. CALIBER      |
| 18. (adj) used or shared in common by everyone in a group                                                            | R. SORDID       |
| 19. (adj) hissing                                                                                                    | S. SIBILANT     |
