

Why People Study History

Across

- 2. To be fair
- 3. When you understand or share the same feelings
- 6. To want to learn more
- 8. Not to be fair
- 9. A person related to you in the past. A family member.

10. To knock down or take away

Down

- 1. All the people born or living at the same time
- 4. A group of people who live in one area
- 5. To protect or keep
- 7. A little different
