

Name: \_\_\_\_\_

Date: \_\_\_\_\_

# Wonderful Weathering Words

## Across

5. process by which other chemicals combine with oxygen

10. \_\_\_\_\_ change can cause rock to break apart

11. structure hanging like an icicle from the roof of a cave

## Down

1. which rock is broken down into smaller peices by physical changes

2. breakdown of rocks by chemical reactions

3. stronger acids fall to earth

4. process by which the outer layers of rock slowly peel away due to pressure

6. composite organism that arises from algae

7. rock formation that rises from the ground of a cave

8. breaking down and wearing away of rock material by the mechanical action of other rock

9. breakdown of rock material by physical and chemical processes
