# Workshop Safety

## Across

5. We must ALL use this when working in the workshop

8. These must be worn to protect your eyes

9. This must be pulled back at all times

10. You must listen to these fully before using any equipment

## Down

1. These must be worn in the workshop

2. These must be worn to protect your ears

3. This rapid movement can cause an accident in the workshop

4. These are NOT to be used in the workshop

6. We must always \_\_\_\_\_ each other!

7. We must do this at the end of every lesson
