

Writing Strategies Research

Across

- 1. A type of specialized knowledge that ELs in particular do not have
- 10. ELs work together with other students writing compositions
- 11. Silent sustained reading
- 12. confirming the reader/writer is on track

Down

- 2. Mini lessons, where teachers model how to write
- 3. A tool ELs can use to improve their descriptive word choices
- 4. has three components on teaching students cognitive strategies

5. "real" writing activities

- 6. leads to increased comprehension and engagement
- 7. teachers share this to illustrate writing traits
- 8. Systematic functional linguistics
- 9. trust
