

Zodiac Crossword Puzzle

Across

5. Emotional, cozy, loyal, nice. One of the most sensitive sign. They are very affectionate but can be very hard to read sometimes due to their constant mood swings.

6. Free-spirited, independent, friendly, intelligent. Doesn't let their emotional side show unless you're really close to them.

8. Charming, fair, artsy, sweet.

They're all about balance which can lead to them being indecisive

9. Loyal, analytical, kind, hardworking. They see everything but sometimes don't point it out. They are known as perfectionists which makes them very critical of others and themselves when they see things out of place.

11. People with this sign are not afraid to speak their mind. They're very passionate, motivated and confident.

12. Unexpected, emotional, extreme, smart. They're one of the most misunderstood sign. They can be secretive and mysterious.

Down

1. Adaptable, sensitive, creative, gentle. They're very romantic. They're very empathic and has a massive imagination. Always dreaming.

2. Ambitious, disciplined, realistic, smart. They have a strong desire to succeed and make money. They can also be very awkward at times.

3. Comfort, loyal, food-lovers, stubborn. They love to be comfortable more than anything. They enjoy finer things in life and are very patient.

4. One of the friendliest sign, they're very social and energetic. Always happy and curious.

7. People of this sign are full of passion and leadership. Their presence is very noticeable and can really 'light up' a room

10. Social, talkative, easy-going, always down for an adventure. They're really fun to be around. Known to have two sides
