

Name: _____

Energy and energy resources

Across

2. The energy that sound carries
7. The transfer of energy that occurs when a force is applied over a distance
8. Stored energy due to the interaction Between objects or particles
9. Energy due to motion
10. The energy that an electric current carries

Down

1. Energy that is stored in the nucleus of an atom
3. The energy that electromagnetic waves
4. The total energy of an object or a group due to large scale of motion
5. Energy due to the motion of particles that make up an object
6. The ability to cause change
